

MULTAN AIRPORT SMD SCREENS

Carrying Forward Our Legacy of Revolutionizing
Airport Advertising in Pakistan

Multan International Airport is situated 10 kilometres (6.2 miles) away from the city centre of Multan.

It is the largest airport in South Punjab and it operates to cater mainly to the population of Multan, Vehari, Khanewal, Muzaffargarh, Rajanpur, Sahiwal, and Pakpattan to mainly to other points within Pakistan as well as the Middle East.

01 MUST TO LOOK AT LARGE FORMAT SMD DISPLAYS

Thanks to these 20' x 08' Large Format SMD Display at Multan Airport, every passenger and visitor will be able to see the special announcements from advertisers while they are waiting for their loved ones to come, or they are waiting for their luggage, or simply to board on aircraft.

02 BIGGER, BETTER & BRIGHTER

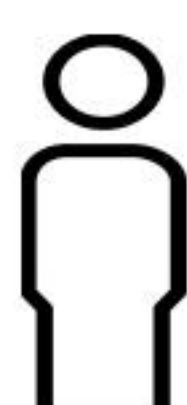

Illuminate your message and show more in a small span of time to thousands of people with our bigger, better and brighter Smart Mounted Displays

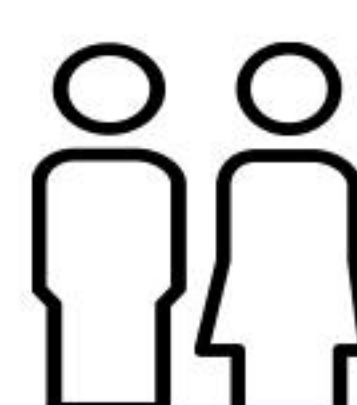

03 UNBEATABLE ADVERTISING OPPORTUNITY

Weekly 300 flight both
International and
Domestic

75,000 passengers per
week

225,000 visitors in a
week

24/7, 365 days
around the clock

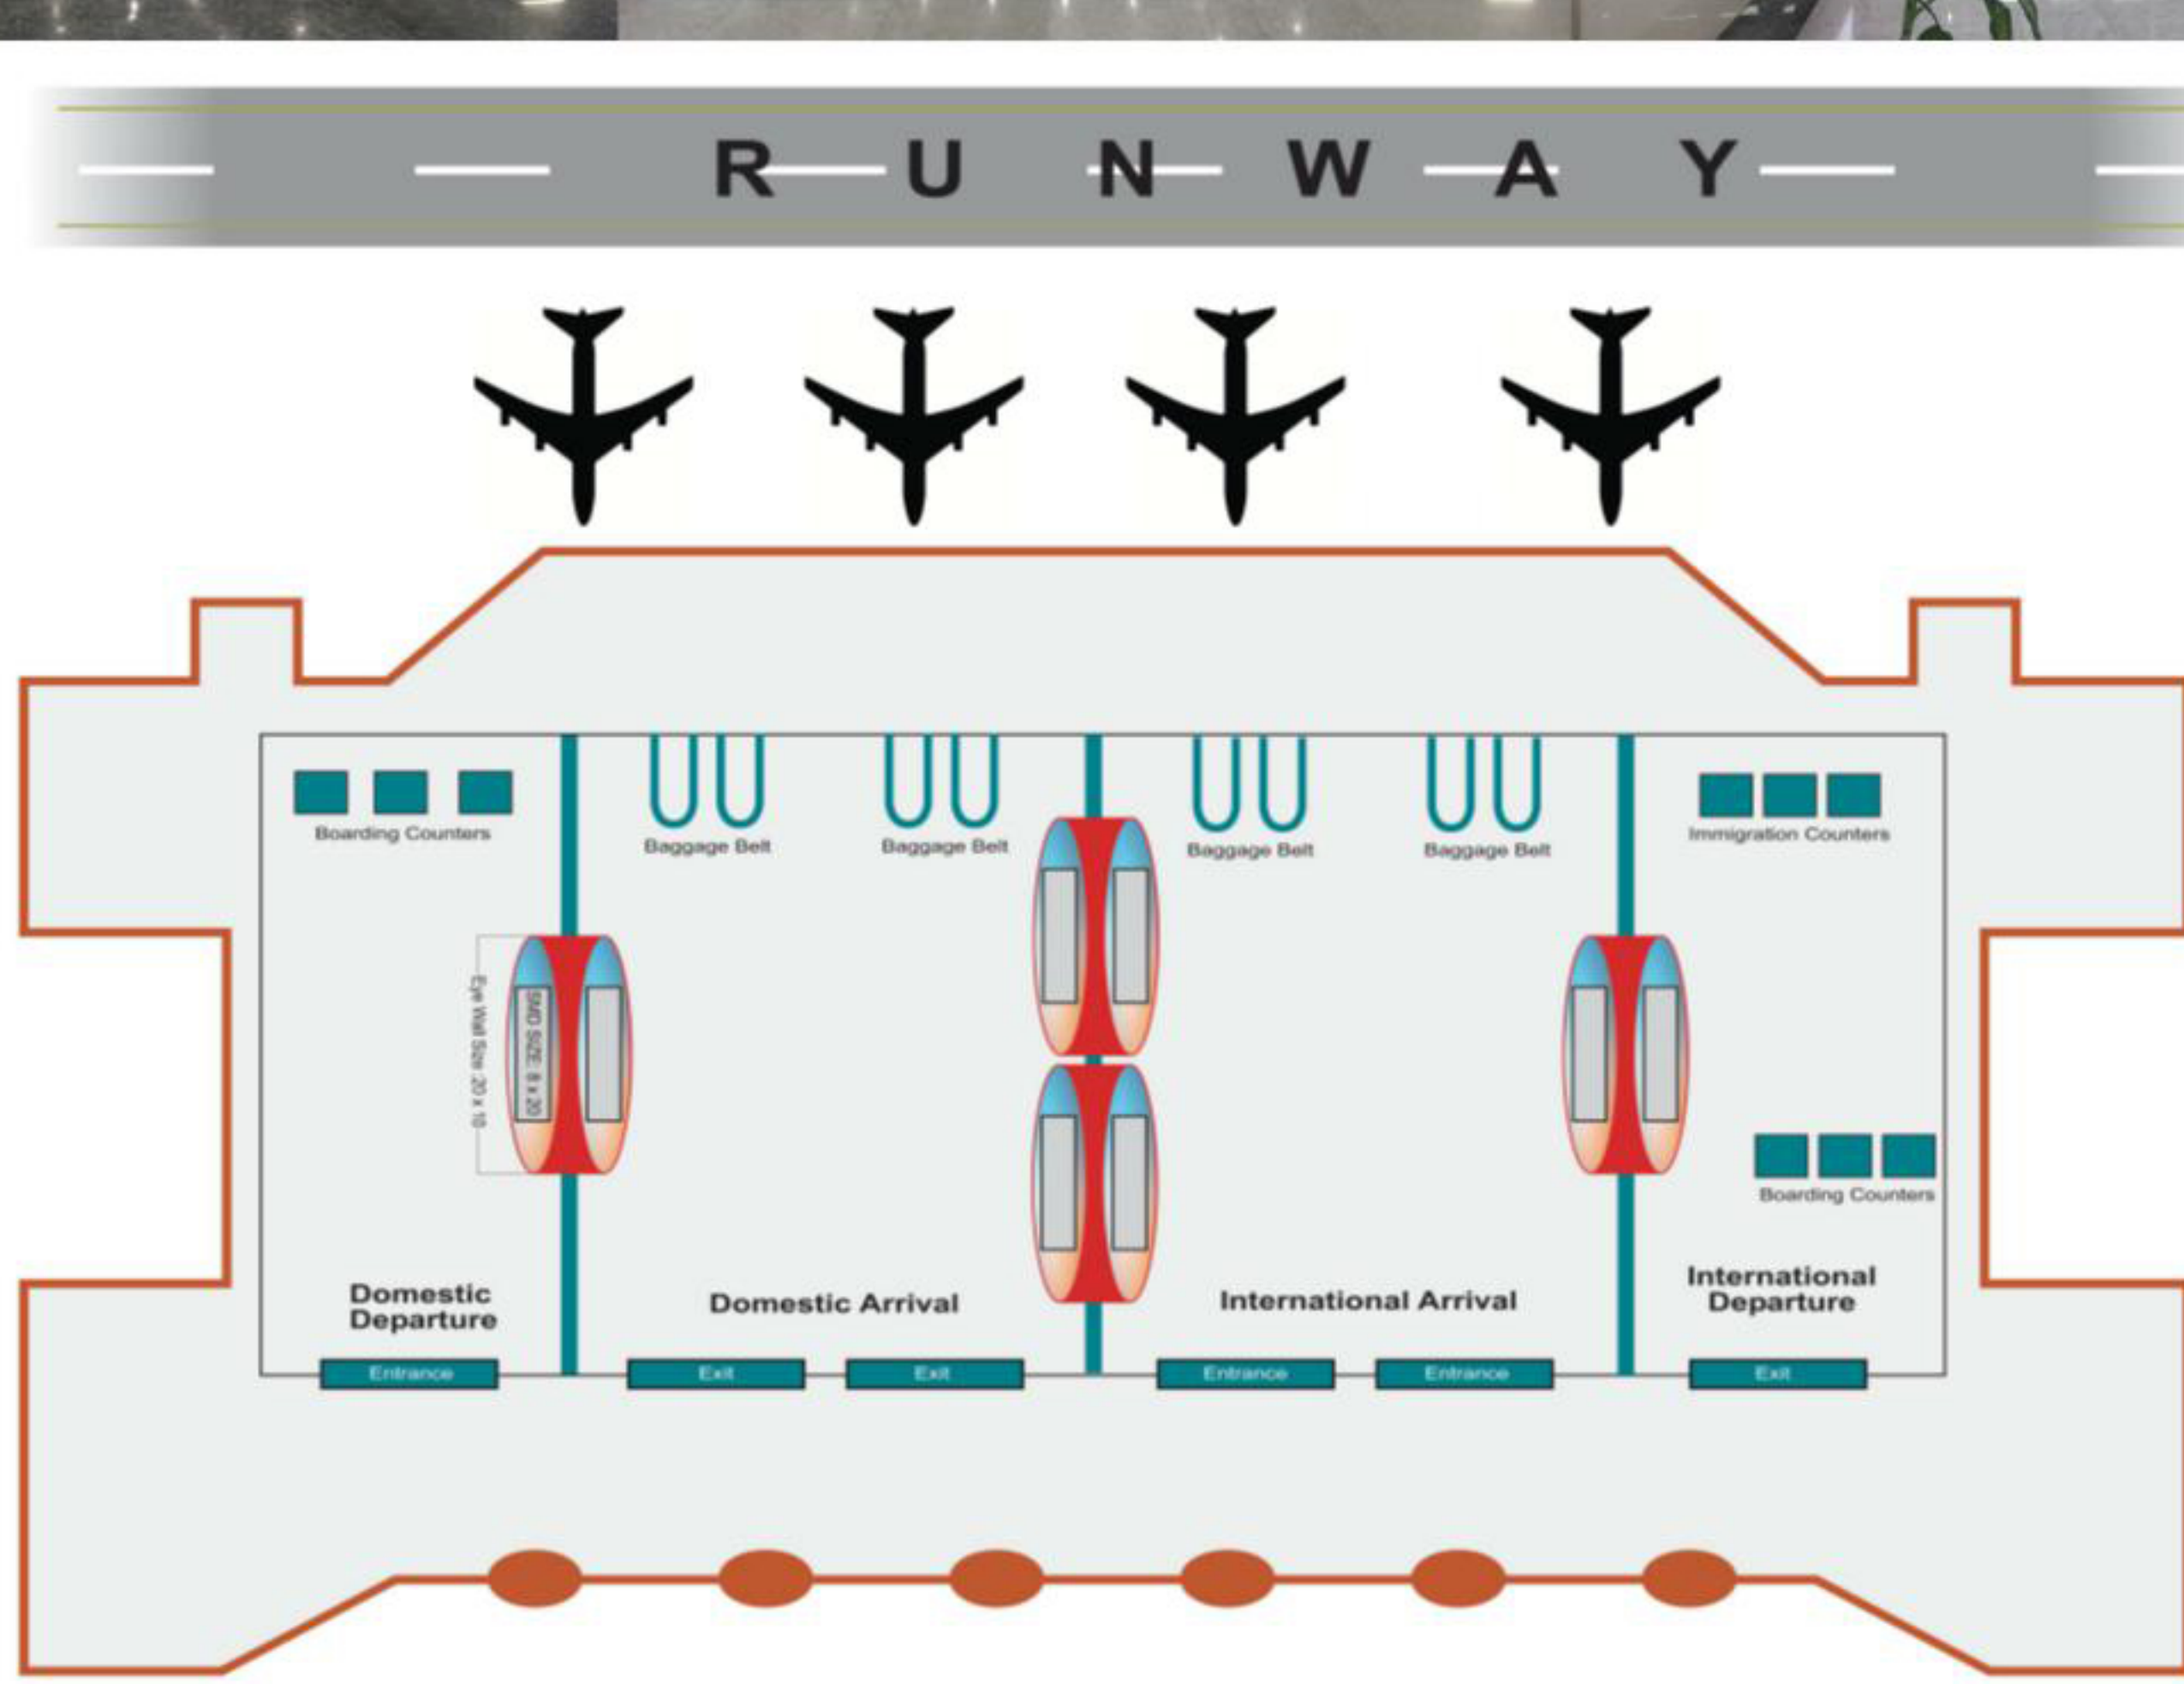

Strategically Located
08 Screens for 360
degree milage all
across airport

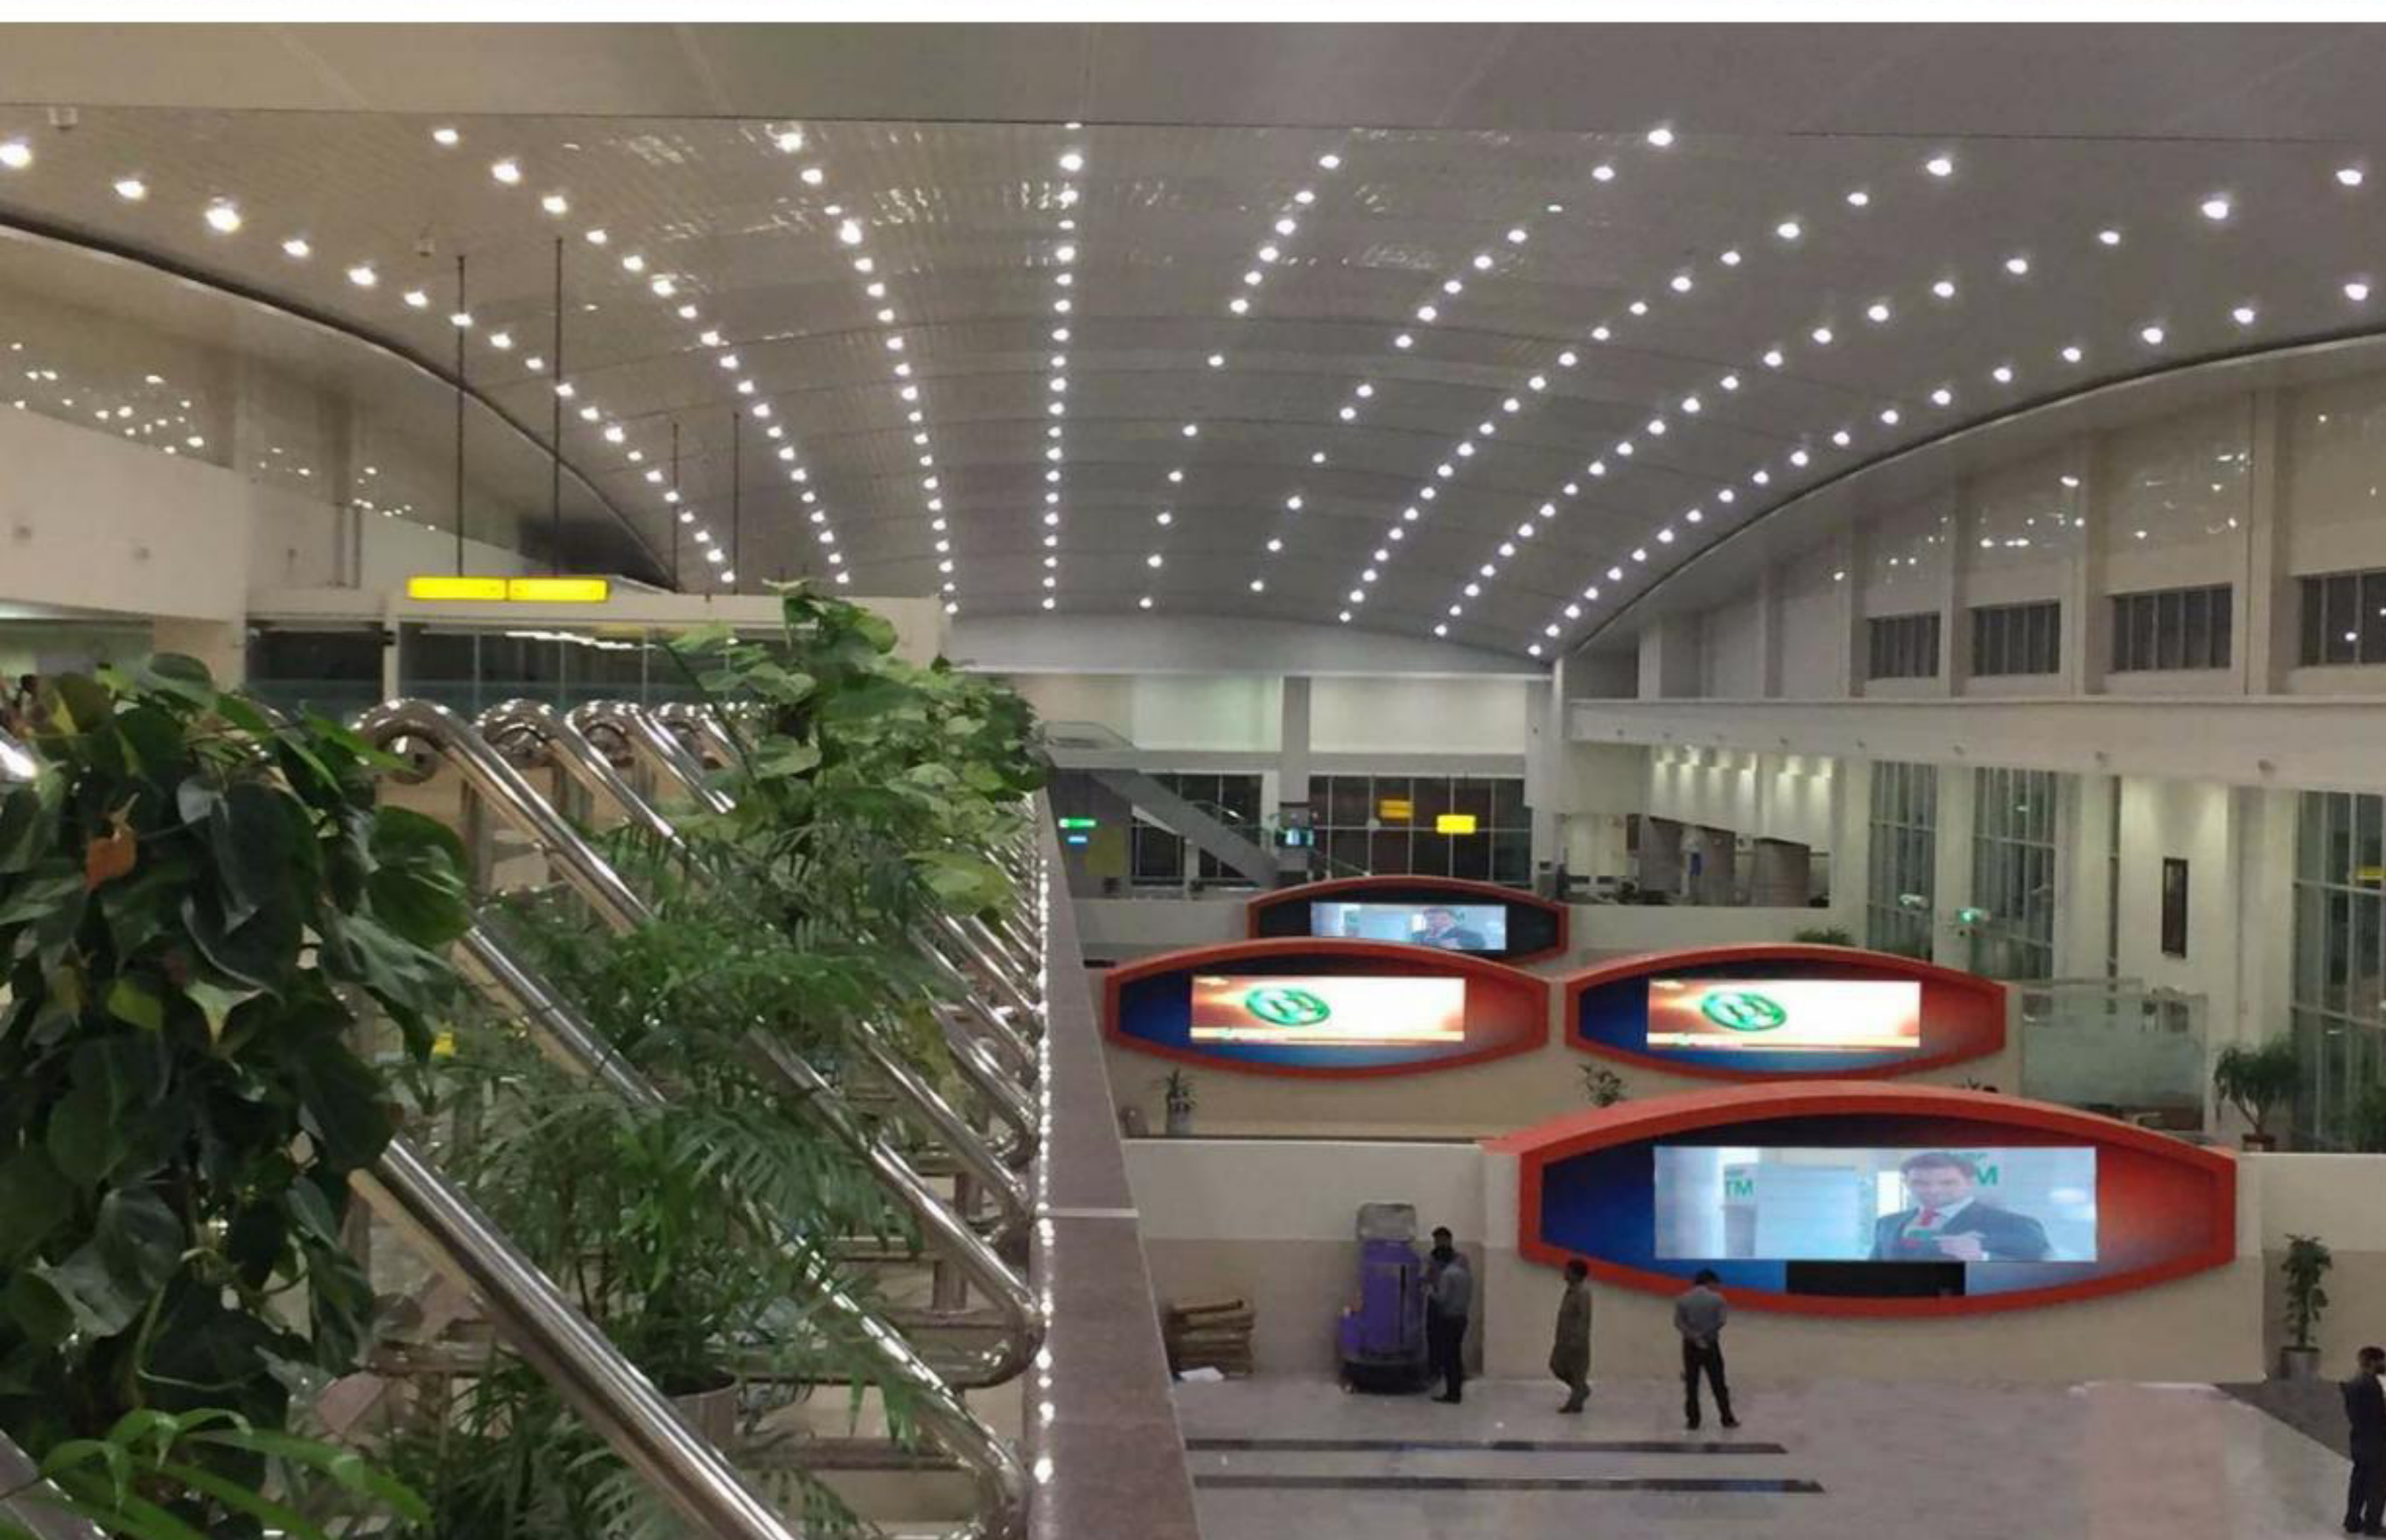

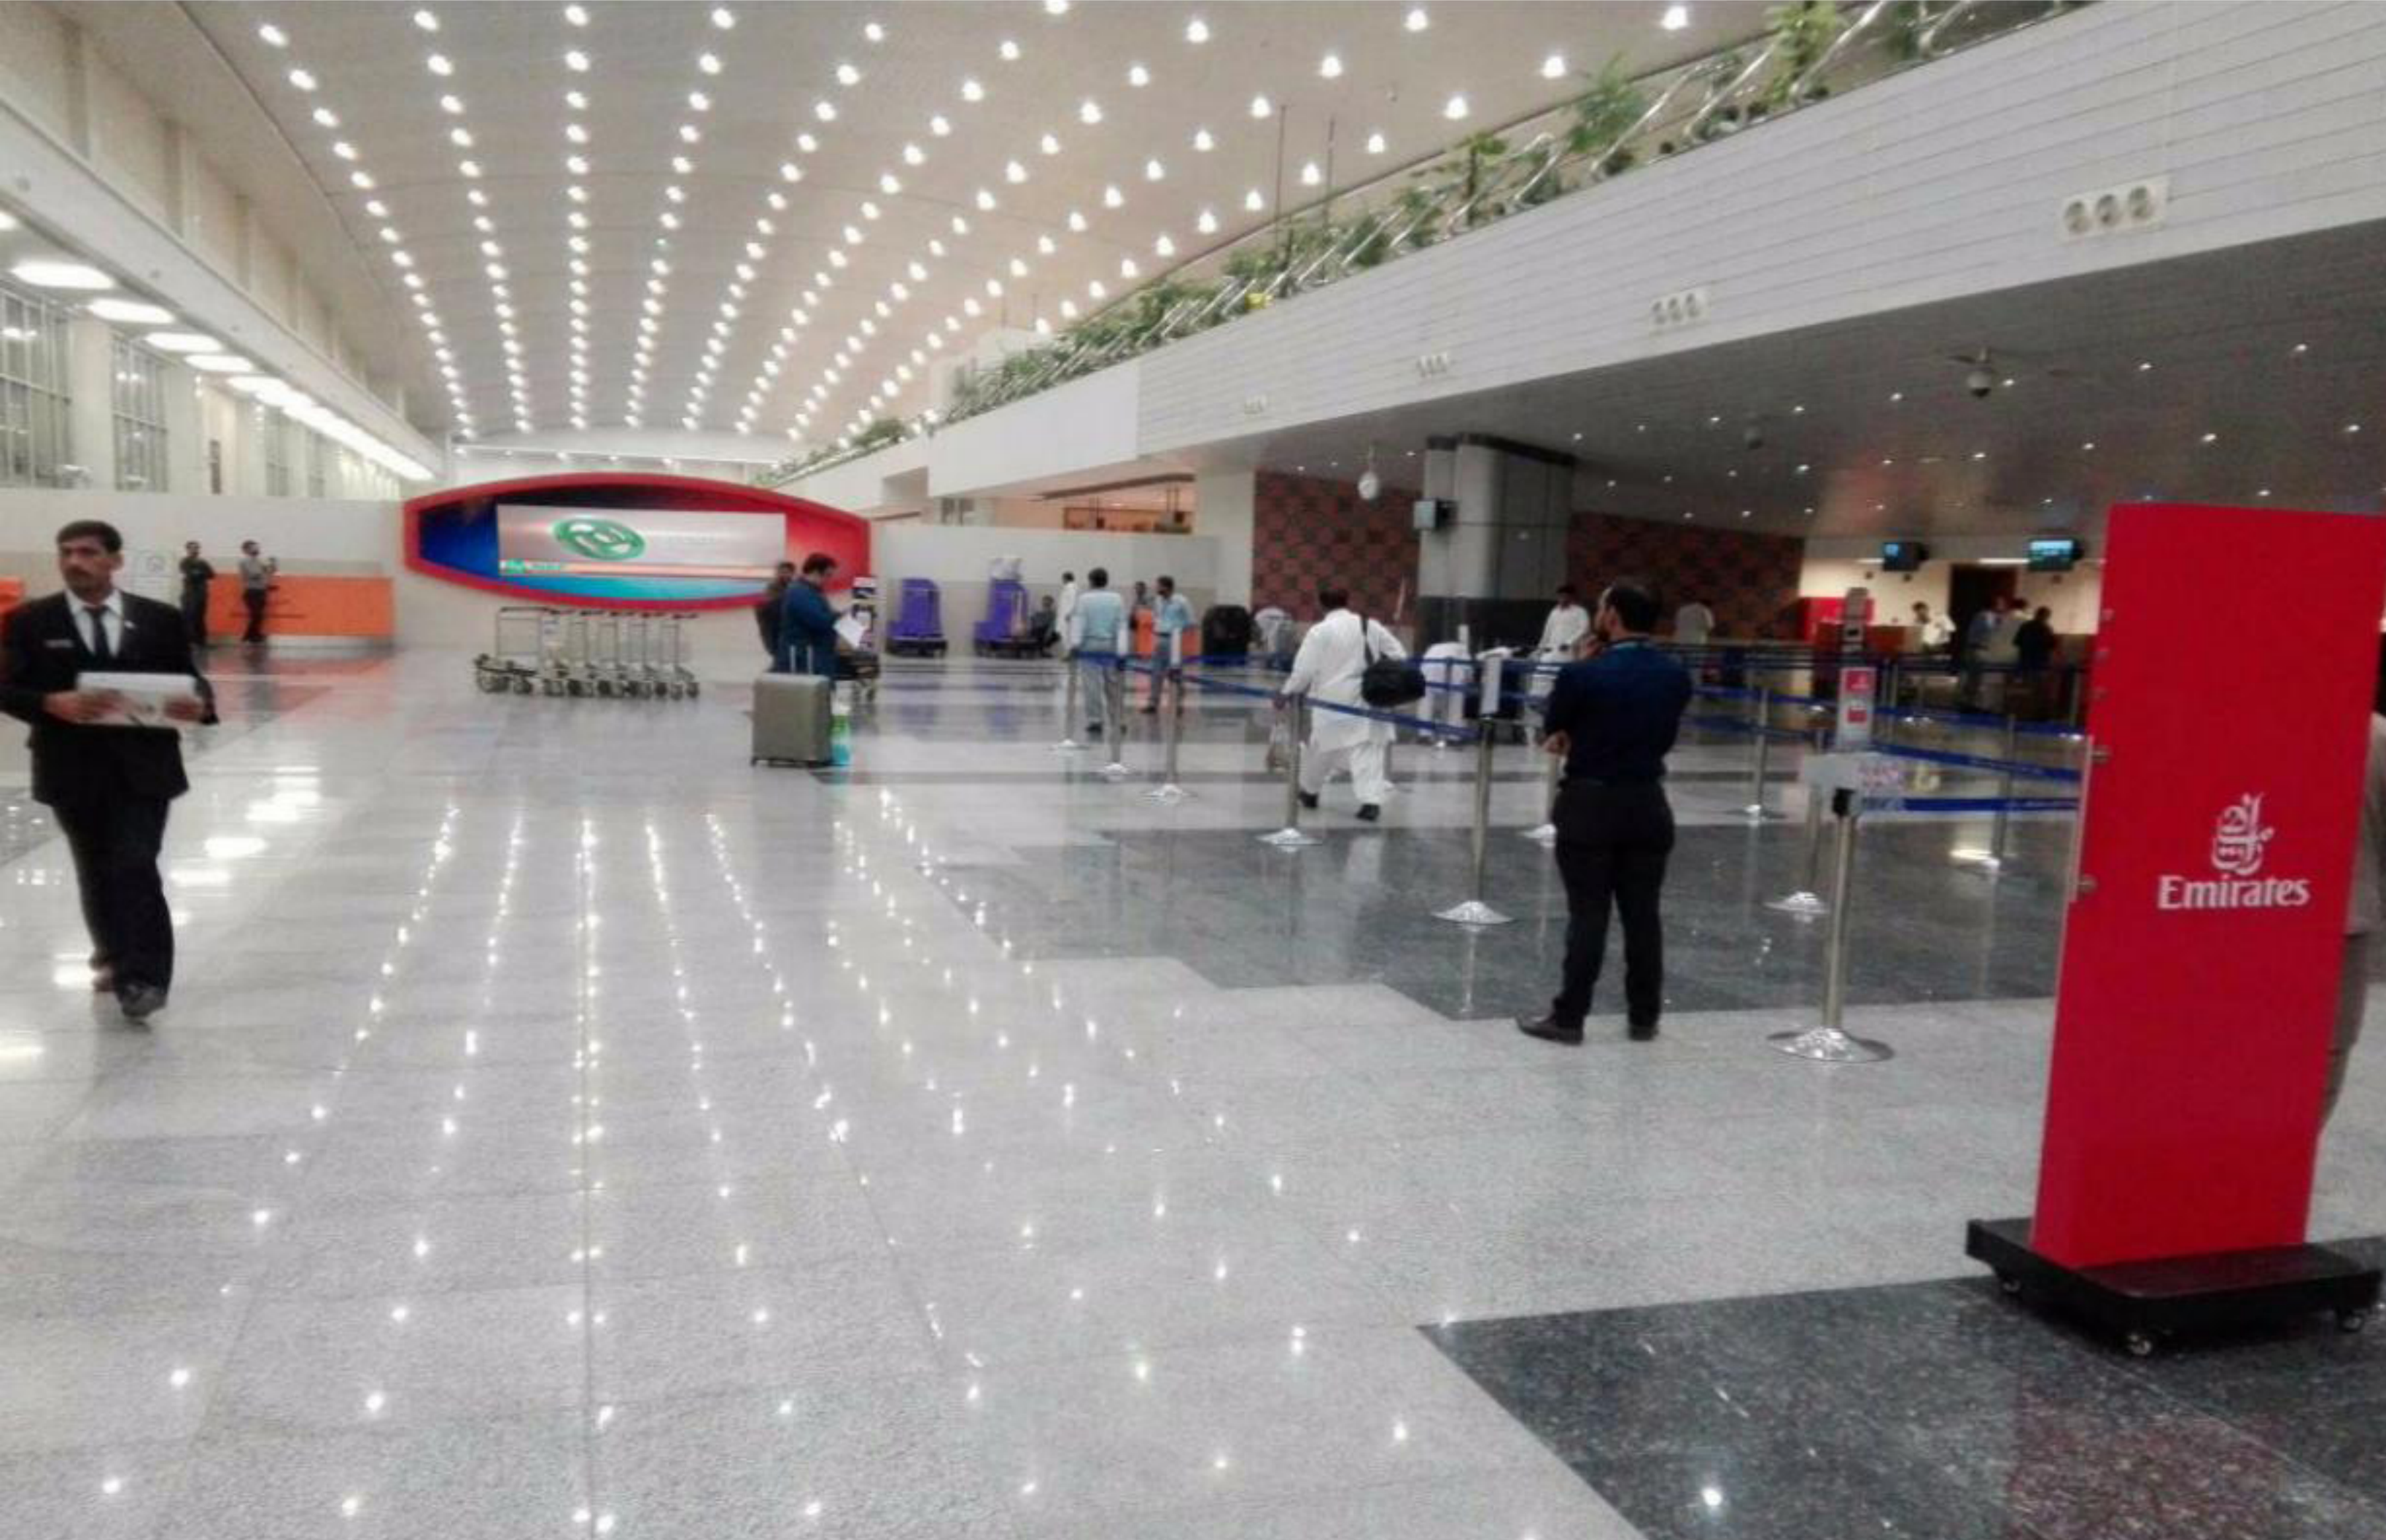

Such an enormous
impact, comparing
with entire Multan's
advertising at such a
negligible cost
